IGNITE ENTREPRENEURSHIP SCHOLARSHIP

OPEN TO K–12 STUDENTS

What if your big idea could actually get built?

UP TO

$96,000

in professional technology services to build your product

You bring the idea.
We bring the tech team.

Hitcents' developers, designers and strategists—working on the Handrail platform—help K–12 entrepreneurs turn ideas for apps, platforms and tech-enabled businesses into real, working products.

$0
EQUITY
Your company stays yours.

$0
REPAYMENT
It's a scholarship, not a loan.

2 yrs
OF SUPPORT
Build, launch, learn and iterate.

No code? No problem.

You don't need investors, a perfect business plan, or to know exactly how the technology should work.

You just need an idea worth building.

WHAT THE SCHOLARSHIP COVERS

Year one — **up to $72,000**

Strategy · UX/UI design · Software development · Launch · Handrail platform access

Year two — **up to $24,000**

Hosting · Platform access · Continued technical support and development

Your idea doesn't have to stay an idea.

APPLY AT **handrail-daas.com/ignite**

Educators: share this with a student who has an idea.

PRESENTED BY HITCENTS

BUILT ON handrail

In-kind award; no cash payment. Value reflects standard commercial pricing, up to the stated maximum. No equity or repayment required.
